2. How many consultancies have been undertaken this financial year to date?

3. For the financial year to date, please provide the same information (itemised separately) for Departmental officers that accompanied the Minister and Parliamentary Secretary on their travel and include a similar breakdown of the costs incurred by or on behalf of those staff.
4. For the financial year to date, please detail all travel (itemised separately) undertaken by employees of each department and agency within each portfolio. Include details of what the travel was for, what cost was spent on travel (including travel type – i.e. business airfare), accommodation, security, food, beverages (alcohol listed separately), gifts, entertainment, and all other expenses.

7. When SES employees travel, do any support or administrative staff (such as their Executive Assistant) travel with them? If yes, provide details of why such a staff member is needed and the costs of the support staff travel.

**Answer:**

- 1-3. Not applicable.
4. The ASC can advise that expenditure on travel related costs for the 2011-12 financial year up to 31 January 2012 was \$3,291,817. This figure includes Australian Institute of Sport sporting team travel (comprising athletes and support staff, not employees) in addition to employee travel costs. The ASC does not record travel data in a way that would readily allow answers to be provided to these questions. To attempt to provide this level of detail would involve an unreasonable diversion of agency resources.
5. Yes, employees will generally take the most direct route. However, if the direct route is considerably more expensive or cannot meet business requirements a non-direct route will be considered. The ASC Travel Policy supports this principle.
6. Yes, the Chief Executive Officer is provided with membership of one lounge of his choosing to support his frequent travel requirements. The value of annual membership is \$275. For other staff, the ASC may pay the initial joining fee, where applicable, for employees who are regular travellers however employees are responsible for paying the actual cost of the lounge memberships.
7. No.

For this financial year to date, detail all education expenses (i.e. in house courses and tertiary studies) for each portfolio department and agency. **Answer:**
