

### International Sport for Development Grants for 2012/13 as at 6 November 2012.

The Australian Sports Outreach Program (ASOP) is a joint program between the Australian Agency for International Development (AusAID) and the Australian Sports Commission (ASC). The ASOP is principally funded by AusAID. The aim of the ASOP is to increase the capacity of partners (local authorities, development partner agencies, sporting organisations and communities) to plan and conduct quality sport-based activities which contribute to addressing locally identified development priorities.
