CANBERRA ACT 2600

Joint Standing Committee on Electoral Matters	
Submission No.	159
Date Received	19/8/02
Secretary	<i>[Signature]</i>

16 July, 2002

Dear Ms Palmieri

Further to conversations with you and E-Mail correspondence which followed, I give due official advice to The Standing Committee as follows:

The National Executive of The Republican Party of Australia has made a fairly full analysis of the outcomes pertinent to The Senate Elections in all six States and the two Territories at Election 2001 for our own purposes.

Since our overture to The Inquiry, we have had sufficient time to study The Progressive Labour Party's submission to your Inquiry (lodged on or about the 5th instant) and it ideally covers all of that which we might otherwise have submitted to the said Inquiry.

Therefore, The Republican Party of Australia endorses The Progressive Labour Party's submission.

Thanking you for allowing our endorsed submission to be included with the full list of all those organisations & individuals' efforts.

Yours patriotically,

PETER CONSANDINE
National Executive Director
