Joint Standing Committee on Electoral Matters	
Submission No.	170
Date Received	22/10/02
Secretary	<i>[Signature]</i>

Dear Mr. Rowe,

During the hearing in Sydney on Wednesday last Senator Ray asked for the name of the booth where there were 144 votes more in the count than were issued during the 2001 Queensland State election.

The booth was in the Mt. Gravatt East Public School. A complaint was made to the Queensland Electoral Commission at the time.

I would be grateful if you could possibly send the draft transcript of my evidence at the hearing for correction to me at I Brockworth, Gloucester Road, Norbiton London UK KT1 3RG.

My phone/fax there is 208 549 8470. However I believe I would need a copy on ordinary, not fax, paper for clear correction. I will arrive there on October 19 next.

Yours sincerely,

[Signature: Amy McGrath]
