

Public Works Inquiry
Site remediation and
construction of
infrastructure for the
Defence site at Randwick
Barracks, Sydney, NSW

The federal parliament's Joint Standing Committee on Public Works is inquiring into the remediation and construction of infrastructure at the Defence site at Randwick Barracks, Sydney, New South Wales. Estimated to cost \$85.4 million, the proposed works will prepare the site for disposal and future residential development.

If you have any comments to make on the development, including its need, cost and value for money, please write by 21 March 2003 to:
