

To Whom It May Concern,

My name is Fiona Byrnes, and recently on a television program (7pm on Channel 10) I was absolutely disgusted to hear of the destruction of Orangutan habitat due to the plantations of Palm Oil. I have never written a submission and am not really sure how, but need to show my support for this extremely important, & devastating problem! So regarding "The Food Standards Amendment (Truth In Labelling - Palm Oil) Bill 2009" PLEASE, make it absolutely mandatory for all products containing Palm Oil to LABEL it. We as the consumers deserve to know, And it makes me sick that I could be contributing to the horrific treatment of these poor Orangatan left in the aftermath of all the destruction! I do not want Orangatan blood on my hands and neither should YOU. I am only a simple mum of 2 & no I don't have all the facts, but I've seen enough! JUST GIVE US THE CHOICE PLEASE!

Yours Sincerely, Fiona Byrnes
