

As a consumer, it is our right to be aware of ALL ingredients in products to allow us to make an informed decision in purchasing the same.

**I WOULD DEFINATELY NOT PURCHASE ANY PRODUCT CONTAINING
PALM OIL.**

The devastation to the Oranugtan population is on its way to being irreversible in a very short time & you are taking away our right to choose or support the Orangutans by not displaying Palm Oil on product labels.

How can we make a difference if the truth is hidden from us?
