

SUBMISSION OF SUPPORT

I would like to make a submission of support in regards to the proposed Bill Food Standards Amendment (Truth in Labelling-Palm Oil) 2009.

As a consumer I feel very strongly that I should be able to make informed choices on what I buy. Knowing if palm oil was in a product would definitely determine if I bought the item. The preservation of orang-utan habitat is far more important than any product on a supermarket shelf.

Thank you
