RE: (Truth in Labelling – Palm Oil) Bill 2009

I am writing to express my anger and frustration at being kept so ignorant to the many Orangutan deaths I have contributed to as a consumer of Palm Oil products. I feel so helpless and ashamed that I have blindly been purchasing products that have ultimately sustained an industry rather than a species. **I WANT THE RIGHT TO CHOOSE.** Please make it mandatory to label Palm Oil in truth and allow us simple consumers to empower ourselves instead of supporting such murderous endeavors.

We as a species are capable of so much more than destruction through power - please help us to try.

Sincerely

Shelley Henderson
