

SUBMISSION TO TRUTH IN LABELLING – PALM OIL BILL 2009

I support the mandatory labelling of palm oil. I feel quite outraged that for the profit of big companies the habitat of beautiful animals such as orang-utans should be destroyed.

These animals cannot speak for themselves and the people of the countries they come from don't seem to care whether they suffer or indeed even live.

I personally will not buy anything that I suspect of having palm oil as an ingredient, so if it is labelled 'vegetable oil' without specifying which vegetable oil I will not buy that product.
