

To Whom It May Concern:

On behalf of Durrell Wildlife Conservation Trust please accept this submission of support for the above mentioned proposed bill. The organisation supports, in a professional and personal manner, the mandatory labelling of palm oil. Our work with Sumatran orangutans in educating the public about their plight and the direct effect of palm oil upon this is paramount to their survival. Consumers need to have a choice and this can only be achieved by clear and truthful ingredients labelling.

Yours sincerely

Gordon Hunt
