

To whom it may concern,

I am writing in regards to the *Inquiry into Food Standards Amendment (Truth in Labelling – Palm Oil) Bill 2009*.

I am writing to express my support for this bill, as a consumer within Australia. I am strongly passionate about this issue because I believe every animal has the right to a habitat and as a consumer I reserve the right to know whether I am buying a product containing Palm Oil.

I do not wish to appear before the Senate Committee hearing in Canberra.

Thank you very much for your time,

Julie Griffin
