

To Whom it may Concern

My name is Larissa Salton I am a Registered DOULA on the Sunshine Coast Queensland. I am writing to you as I am very upset to hear that as of July 2010

Women have no Voice and No Choice as to have a Home Birth. What is happening has come strait out of the DARK AGES i.e. the burning of the witches as the

witches where the midwives back then. Now it is happing all over again What happen to Freedom in Australia. Look at the New Zeland Birthing program why

is it that Australia can not follow this ideal Program where Midwives can have the continuity of Care where ever the Pregnant Woman should want to Birth.

Birthing a child is a normal possess, My Ideal would be to allow LOW RISK BIRTHS to happen at HOME or Birthing Centres with Registered Midwives and HIGH RISK BIRTHS to be at HOSPITAL.

with the safety that IS needed in those circumstances.

WOMEN WILL BIRTH THEIR BABY'S AT HOME ON THERE OWN PLEASE PLEASE PLEASE don't Let this Happen.
