Re: Inquiry into the cost of living

I would like to express my concern in regard to the cost of living my wife and I now find ourselves in.

The pension we now receive does not cover our every day needs such as food, electricity, rates, phone, (an essential tool now days) Water costs etc.

We therefore respectfully request that you refer our concerns to the Federal Government, and allow us to live in dignity and not in poverty.

Yours sincerely,

R.E. Boulton,
