

SECRETARY SENATE COMMUNITY AFFAIRS

Received letter from Graham Edwards M.P. the member
of Lower. I agree with all the comments mentioned.
Concerning other Australians with cost of living rising
each week. One comment I would like to add is
the Single, Widowed, Pensioner, which I am.

As a person on my own I pay the same Electric
bill, here costs for phone, heating, cooling bills that
my friends who still have their partners receiving
2 pensions, I must say I am a little luckier
as I do receive a small widows Pension from UK
but I don't just think of myself in this matter
without the UK pension and help from my family
from time to time life would be pretty hard to
make ends meet.

I hope you will consider this comment

Yours

MRS. V. F. Ingley
