

To Senators on the Senate Select Committee on Climate Policy,

Clearly, those Australians who chose to vote for Kevin07 must be sorely disappointed after discovering his government is not so concerned with climate change after all. I am. Kevin09 has no spine.

Climate Change Minister Penny Wong has described the CPRS as 'better than nothing', but she is wrong. It is worse than useless.

Australia needs a strong, ambitious and fair emissions trading scheme, not a plan that protects polluters and stands in the way of the change we need.

KEVIN09 HAS NO SPINE
