Dear Kelly Paxman,

**Re: Late Submission for the Parliamentary Joint Committee of Corporations and Financial Services.**

***Conference Paper: “ Homelessness in Mining Towns and the Opportunity for Big Business to Play a Part. ”***

Recently my colleague Melinda Scheltens and I presented this Conference Paper at the 4<sup>th</sup> National Homelessness Conference in Sydney. One of the audience participants advised us of the Parliamentary Committee on Corporations and suggested that some of the recommendations in this paper may be of interest to the Committee.

The views expressed in the paper are the personal views of the authors, both Senior Social Workers in Centrelink. The National Social Work Office, Centrelink, has approved the paper’s content for public release.

A Summary of the Recommendations is attached, along with the full Conference Paper.

We would be happy to make ourselves available for further discussion should this be required. Thank you for agreeing to accept a late submission to the Parliamentary Committee.

Yours faithfully

Yolande Morris  
Senior Social Worker
