Subject: Attention Jane Thompson Senate Standing Committee on Environment, Communications and the Arts: Inquiry into Australia's waste management streams

Hello Jane,

Yesterday at the hearing we were asked the date of the newspaper notice, a copy of which was given to the Senators.

The notice (attached) listing community groups in Victoria that support container deposit legislation, was published in the Melbourne Herald Sun on April 10th 2008, Page 9. A similar notice (attached) was in the Age on February 28th 2008, Page 12.

Kind Regards,

Marion & Peter Cook
