

The Croydon Green Team

Leader Monica Ross

17/5/08.

To the Secretary,
Senate Standing Committee on Environment,
Communications and the Arts,

The Croydon Green Team is an active group who have been picking up rubbish for over 5 years, every fortnight. We know for a fact that our records show, 1/3rd to 1/2 of the rubbish collected has been Cans and Bottles. We highly recommend container deposit systems.

Thankyou for taking this request into account.

Sincerely, *MRoss.*

Monica Ross.

(LEADER & FOUNDER).
