

Submission Inquiry into the effectiveness of the broadcasting codes of practice

Monday 7 April, 2007

Dear Secretary,

Thank you for the opportunity to contribute to your inquiry, and thank you for the work you are doing.

We wish to submit that our experience of the broadcasting codes of practice has been that the classifications have not been sufficient guidance for the viewing of our children, or in fact of our own viewing.

We have the impression that the rules have been slackened, and we wonder if that was truly because such slackening serves the Australian community, or whether it was made to serve other interests instead.

Sincerely

Michael and Leanne Casanova
