

Dear Senator McEwen,

Please accept this submission to the inquiry into the Great Barrier Reef Marine Park and Other Legislation Amendment Bill 2008

my name is daniel jones and i am worried that in this crazy world where there is so many bad things going on that you intend to destroy one of the only things in life that a family can do together at very little cost but get so much from. I have fished with my dad and his dad and so on and i hope to share the same things with my two kids .things i wont be able to do if u close all the reefs down don't take the only thing we have left to do as a family .thank you for your time

Daniel Jones
