Committee Secretary,  
Senate Standing Committee on Environment, and  
The Arts,  
Department of the Senate,  
Parliament House,  
Canberra, ACT 2600

Dear Senators,

It is my duty and obligation to inform you of MY WILL on anything that comes before Parliament, or that should come before Parliament.

IT IS MY WILL that you take immediate action to ensure that:

1. you repeal the Commonwealth Radioactive Waste Management Act 2005 and its 2006 Amendment.
2. you determine the will of the people and set the Labour Policy on radioactive dump to reflect the will of the people.
3. you allow your party parliamentarian colleagues to be allowed to fulfill their Judicially defined legal function to speak and vote absolutely freely according to their individual conscience and to reflect the will of the people they represent.
4. you ensure that any laws related to radioactive waste dump reflect the will of the people.
5. you remember Mother Earth has been created for the benefit of all living creatures for ongoing existence.
6. you remember radioactive waste dumps only benefit corporations for ongoing profit at the expense of the deterioration of our waters, land, air and life itself and this does not reflect the will of the people.
