Subject: Senate Inquiry into methods of appointment to to the ABC Board

To the Secretary,

At a meeting of the Chelsea Branch of the ALP on 1/8/01 the following motion was passed:-

That " The Chelsea branch of the Australian Labor Party urge the Senate Inquiry into the methods of appointments to the ABC Board to consider the following:

- that appointments to the ABC Board be independent, with no political allegiance to any political organisation
- that the ABC remain entirely independent of all commercial interests
- that total funding of the ABC be fully restored
- That the ABC remain independent without fear or favour of any political parties

So that it can remain in public hands."

Yours sincerely,

Lorraine Culross

Secretary
