Dear Mr McLean

In response to your letter of 1 July, this is to advise that Australia Post would be pleased to appear before the ECITA Legislation Committee at its public hearing on the Postal Services Legislation Amendment Bill in Melbourne on 8 August.

By way of general comment, I can indicate to the Committee that Post was consulted right through the drafting process and our comments/suggestions taken appropriately into account.

For its part, Post is satisfied that the measures in the Bill:

- fully meet the Government's policy intent; and
- will have no material or unintended wider consequences for Post.

Yours sincerely
