

P.O. Box 8  
YORKEYS KNOB  
CHAIRNS. 4878.

THE SECRETARY,  
SENATE ECONOMICS COMMITTEE.

DEAR SIR,

WHEN I WAS IN HONG KONG  
IN 1995. THERE TAX LAWS FILLED  
28 FOURSCAPE PAGES. - BIG DIFFERENCE  
TO OURS !?

IT WAS SIMPLE - 15 CENTS IN THE  
DOLLAR, NO MATTER HOW MUCH WAS  
EARNED. - EVERY TIME A NEW TAX LAW  
COMES OUT IN AUSTRALIA, EVERYONE  
TRIES TO FIND A WAY AROUND IT. - NO  
WONDER OUR LAWS ARE FULL OF  
LOOPHOLES.

LET'S HAVE SOMETHING SIMPLE &  
EASY. - AT 15 CENTS IN THE DOLLAR  
IT ENCOURAGES EVERY ONE TO WORK.  
EVEN IN A SECOND JOB. - AT THE  
MOMENT A SECOND JOB IS A WASTE  
OF TIME, WITH THE AMOUNT OF TAX  
PAID

I KNOW BIG BUSINESS WILL SCREAM  
BUT LETS GET THIS COUNTRY GOING  
AGAIN.

YOURS FAITHFULLY

*M. Berry*  
MR K. BERRY.
