Dear Dr Bachelard,

I refer to your letter of 12 December 2003 addressed to the then Chair of the Trade Practices Committee of the Business Law Section of the Law Council of Australia, Mrs Louise Castle, in which you invited her to lodge a supplementary submission indicating what impact, if any, the High Court's decision in *Rural Press Limited vs ACCC [2003] HCA 75* has had on the views already expressed in the Committee's earlier submission and subsequent evidence.

I have pleasure in enclosing a supplementary submission which has been prepared by the Trade Practices Committee. Please note that the submission has been endorsed by the Business Law Section but has not been considered by the Council of the Law Council of Australia.

Yours sincerely,

Michael Lavarch
