

To Whom it may concern,

I only found out about this questionair amazing how low key it is.Why isn't this put on the news & radio so people can have a say.

I would like to state my voice and that is **STOP SELLING AUSTRALIAN ASSETS THAT BELONG TO THE AUSTRALIAN PEOPLE TO FOREIGNERS** (remember what the WW1 & WW 2 diggers fought for) Stop pandering to the IMF and other and Keep our assets in Australian hands.You need to have a referendum if you want to do that ask the people.Some of us still knoe we have a valid constitution.
