

CSIRO – Further information: Inquiry into the Renewable Energy (Electricity) Amendment Bill 2009

From: Peterg.King@csiro.au [mailto:Peterg.King@csiro.au]

Sent: Wednesday, 5 August 2009 2:19 PM

To: Economics, Committee (SEN)

Cc: John.Wright@csiro.au

Subject: re testimony from Dr John Wright - CSIRO

Committee Secretariat

At the hearing earlier today Dr Wright was requested to provide information on wind technology - specifically related to the world's largest wind turbine.

Details of the above can be found at the following website:

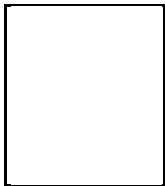

<http://www.metaefficient.com/news/new-record-worlds-largest-wind-turbine-7-megawatts.html>

There is also a video at:
