

APPENDIX 4

FURTHER INFORMATION

Additional information accepted as public evidence of the inquiry. Excludes material logged as submissions (see Appendix 1) or tabled at public hearings (see Appendix 3). Excludes information which the Committee resolved to accept as confidential evidence. All such resolutions were at the submitter's request and all such requests were accepted.

Type:

- A. answers to questions put by the committee
- B. replies to adverse comment
- C. miscellaneous further comment
- D. miscellaneous documents

Some of these documents are answers to questions put in writing by the Committee at or following hearings. The Committee's questions are referenced at the bottom of the numbered series in the table below.
