

AUSTRALIAN SENATE

**EMPLOYMENT, WORKPLACE RELATIONS
AND EDUCATION**

LEGISLATION COMMITTEE

**Inquiry into the proposed amendment in the form of
Schedule 1B to the Workplace Relations Amendment
(Codifying Contempts) Bill 2004**

Interim Report

Dear Mr President,

The legislation committee met before the prorogation of the Parliament to consider and report on progress on this inquiry which was due to be reported by 30 November 2004.

No submissions had been received at the time of the prorogation of the 40th parliament, which, given the long reporting period, was not unexpected.

The committee has agreed that no further work will be undertaken on the inquiry. It notes that the continuation of the inquiry will depend on a new referral in the 41st parliament.

Yours sincerely
