Hi there,

My name is Sophia Davidson and I am writing to voice my opposition to VSU.

I am a student currently studying at The University of Sydney and I think that USU is extremely important.

The services able to be provided are of great benefit to students. I do not personally participate in many of the clubs it funds but I think it is terribly important that all these clubs can afford to operate for the people who do participate.

I do not appreciate the attempt to silence the students voice either.

Thank you for taking the time to read my comments. I just thought I'd let you know that we are not happy.

Please consider our opinion we should have a say in what happens to our education.

best wishes,

Sophia
