**Subject:** Inquiry into Commonwealth Radioactive Waste Management Bill 2005

Dear Senator Troeth

This is a submission into the:

**Inquiry into Commonwealth Radioactive Waste Management Bill 2005**

I make the following points:

- the urgency of this legislation has yet to be demonstrated
- it is undemocratic as it takes away power from Territorians
- the Federal government has previously made strong assurances that they would not impose a dump on the NT
- the need for the dump has yet to be demonstrated
- the inquiry is far too short
- Aboriginal traditional owners will have this imposed on them

I also request that you not support this Bill when the time comes to vote on it.

Yours sincerely

Martin Pritchard
