Submission To

The Chair of the Senate Employment, Workplace Relations and Education Committee
Inquiry into the Commonwealth Radioactive Waste Management Bill 2005 -

comments: I would like the wishes of the Traditional Owners of the land to be honored. It is time we stopped making the same mistakes over and over and respected the wise and important message the Arrente nations are sending the senate. Do not allow a waste dump to be built near Alice Springs and risk the quality of our water and lives to nuclear disaster. HANDS OFF THE TERRITORY, LISTEN TO THE PEOPLE.
