Submission To

The Chair of the Senate Employment, Workplace Relations and Education Committee
Inquiry into the Commonwealth Radioactive Waste Management Bill 2005 -

comments: Territorians welcomed the Prime Minister's pre election promise not to establish a nuclear dump in the Territory. Territorians will not forget if he reneges on that promise. If the Queensland opposition states it is too dangerous to transport nuclear waste through Brisbane streets it must be too dangerous to transport it from thirty sites over thousands of kilometers. No nuclear dump in the Territory please.
