The Chair of the Senate Employment, Workplace Relations and Education Committee
Inquiry into the Commonwealth Radioactive Waste Management Bill 2005 -

comments: It is pure political HUMBUG that the NT Govt is against the Nuclear dump. Of all the people that I have spoken to in the past week the majority are NOT against the dump, they believe there are enough safeguards for a safe dump, they agree that we have a responsibility to store our nuclear waste and the NT govt should butt out unless it had factual proof for its actions other than politicking.
