QUESTIONS ON NOTICE

Inquiry into the DEEWR Tender Process to award employment services contracts

EEWR_SIH_H76

Senator Siewert asked on 11 June 2009, EEWL Hansard page 91.

Question

In relation to international providers, of the existing ones, what percentage do they have under the new tender?

Answer

Given the small number of organisations involved, any breakdown will disclose information relating to the business affairs of identifiable organisations and it is not appropriate to divulge this information without consulting them in case its disclosure could substantially and adversely affect the business, commercial or financial affairs of these organisations.
