17.4.2001

Dear Sir

I like to see compulsory recruitment in our defence forces, serving for 2 years, for every able young body, between 18-20 years of age.

Especially with so much unemployment this will provide a good two years of doing something for the country, and a bit of obedience is not a bad thing at all.

It might even help with the Drugfight, who knows.

Yours sincerely  
E. Knight
