Submission to

Senate Committee

on Australia's relationship with
China.

- a) The need for a full Senate inquiry on the treatment in Australia, of interference in Australia by the Marxist Communist State of China as to Falun Gong's freedom in Australia to protest peacefully.
- b) The need to ascertain for the Australian public how Falun Gong's treatment in China violates the United Nations doctrine on Human Rights.
- c) If violation of Human Rights of Falun Gong is shown to have occurred then Australia should protest to the United Nations on Human Rights.
- d) The Senate should personally hear Falun Gong in public session in the Senate.

Yours most civilly,

John K. Garuff Rogers
