Dear Sir/Madam,

I refer to the article in Adelaide's Sunday Mail dated 21st July 2002 requesting public submissions regarding Life Time Travel Perks for former M.P.s and their spouses.

I feel very strongly that all Gold Passes be stopped immediately. How can former M.P.s and their spouses justify so many trips in a year! They made more than enough money out of Taxpayers when they were in office -

what are they contributing towards the
Public now?
