ADMINISTRATION COMMITTEE  
PARLIAMENT HOUSE  
CAMBERRA 2600  
THE COMMITTEE CHAIRMAN.

Regarding your request for Public Opinion.

All other retirees take their Superannuation payouts and finish.  
All politicians, irrespective of their parties, should do  
likewise; without other extras, be they Gold Passes, or any  
other Luxes and Perks.

Stopping such payouts would have considerable impact on the  
Australian Budget.

It would also considerably improve the very poor image of all  
politicians.

YOURS SINCERELY
