The Sec, Senate Finance,
Public Admin,
Parliament House,
Canberra.

Dear Sir,

We are totally
against the members of Parliament
the Gold Pass Bill 2002. We
find the idea obscene along with
so many other of their retirement
"Perks".

One can only wish them
all a very happy but also very ^{short}
retirement life for the system is
wholly unfair.

Yours Faithfully

Mr. Mrs. N. Jelmic
