Mr Alistair Sands
Secretary
Finance & Public Administration Reference Committee
Parliament House
CANBERRA ACT 2600

Dear Mr Sands

Enquiry into the Regional Partnerships Program

In response to your letter of 14 March 2005, I advise:

1. It was apparent to me that I was the person Mr Windsor was going to name after I had been interviewed by the Australian Federal Police on 2 October 2004.
2. As to my evidence about financial support to Mr Windsor in his Federal election campaign in 2001, I say that Mr Windsor and his campaign manager Mr Stephen Hall are fully aware of any such contributions. I relied upon them to lodge any necessary paperwork concerning contributions by me or my companies towards Mr Windsor's campaigns. Attached is a copy of a television advertising invoice for the Powerhouse Hotel which relates to television advertising utilised by Mr Windsor as part of his campaign for the Federal seat of New England in 2004. This invoice was paid out of Mr Windsor's campaign funds. Contrary to Mr Windsor's claims I had minimal involvement in any of his campaigns. I was responsible for all his television placement campaigns for 2001 and 2004.

Yours faithfully

GREG MAGUIRE
