Please note the following:

\*Project nos 810 and 1319 was approved by the Minister but did not progress (terminated by the applicant)

\*The Department is not advised of the date projects are announced

\*Classifications of Metropolitan, Rural/Regional and Remote are based on ACC regions, which do not always match well with electorate boundaries. Where there was more than one classification type in a given electorate, the first classification found was applied.

\*The initial analysis of funding levels for the the three classification by electorate/political party done to answer parliamentary questions used aggregated data. More detailed analysis of diagggregated data will give slightly different results.
