D Ross *Reading through minutes from meeting 19 August 2004.*

Chairman Any questions on this?

M Ryan Kalkaringi would like to say thank you for coming out. The school says thank you as well. I read in the Australian last week that Noel Pearson was saying we should send all our kids off to boarding school. I don't agree with that, we should be offering secondary school to our kids in the communities.

Uncle Mick couldn't come to the 30<sup>th</sup>, but he says to say hello to everyone.

D Williams I am asking about that road between Papunya, Yuendumu and Willowra. It's pretty bad. The road to Docker River is really bad too. Can we do something about these roads? Get some funding? There are a lot of people using those roads.

M Ryan Did Kenny get hold of you?

D Ross Kenny came out to the Council Meeting.
