

Submission to the
Senate Finance and Public Administration Committee

Bill Muehlenberg
Secretary, Family Council of Victoria
September 2008

The Family Council of Victoria strongly disapproves of any government funding of abortion, but is especially concerned about Medicare funding of late-term abortions. . The attached document spells out our concerns about a common late-term abortion method, the D&X abortion procedure. Tax-payers should not be forced to pay for such horrendous activities. Governments must cease providing funding for late-term abortions.
