Dear Members of the Selection of Bills Committee,

**National Greenhouse and Energy Reporting Amendment Bill 2009**

Thank you for your invitation to PricewaterhouseCoopers to prepare a written submission to you on the *National Greenhouse and Energy Reporting (NGER) Amendment Bill 2009*.

The Department of Climate Change provided us with the opportunity to comment on the proposed *NGER Amendment Bill 2009* in February 2009. Overall, we were supportive of the proposed changes but provided a couple of minor comments. I have attached these comments in Appendix A.

If you have any questions on our comments regarding the NGER Amendment Bill 2009, or would like to discuss previous commentary we have provided to the Department of Climate Change on NGER more broadly, please feel free to call me on 03 8603 3285.

Yours sincerely
