The Secretary
Finance & Public Administrative Committee,
PARLIAMENT HOUSE
CANBERRA ACT. 2600

Dear Sir/Madam,

I enclose another letter written
1997, AGAINST a REPUBLIC in AUSTRALIA. We have
NOT (& WILL NOT) change our STANCE on an
Australian Republic. This also applies to
PLEBISCITES as well.

Please - DO NOT WASTE MILLIONS of DOLLARS
on ideas that AUSTRALIANS will strongly REFUTE
- NO MATTER WHEN!! This money could be
spent exceedingly well on NEEDY PROJECTS!!

We VALUE what we have had for over 200
years!! We are ADAMANT about this!!

We VALUE the efforts & sacrifices of many
in WWI (including "Hungerfords"); and of "MILLIGANS"
& "HUNGERFORDS" & many others in WWII. All of them
would be CRYING with SADNESS & DISAPPOINTMENT to see
their loved "AUSTRALIA" today!! - as WE the LIVING
are, for our children & FUTURE generations.

WE WILL NOT GIVE UP!

(MRS) Joyce E. Milligan
(GREAT-GRANDMOTHER of 13 GREAT-GRANDCHILDREN so
far.)
