

The Standing Committee on Finance and Public Administration
The Senate
Parliament House
CANBERRA ACT 2600

We are writing to inform you that we are against holding a plebiscite for a republic to replace the current system of a Constitutional Monarchy which has served us well since Federation.

Especially in a global economic crisis finances should be put to better use than a referendum, only one decade after the last plebiscite.

Yours sincerely,

Brigitte Moeller

Peter Moeller DipEng MIEAust and Brigitte Moeller
