

Dear Sirs,

I submit to you this letter to inform you on a few problems I have in regards to your beliefs or ideals on republicanism. First off, I would like to tell you all that any plebiscite on republicanism is not only treason but it is also highly ~~di~~ disrespectful to every one of our countries Soldiers who have died defending our Flag and more importantly our constitution, all from WWI through to the present day have all died for the honour and commonwealth of Australia, and to turn this country ~~from~~ into a republic would be the deepest insult to their memory!

However I believe your Plans will undoubtedly fail considering ~~the~~ the results of the last constitutional referendum 10 years ago that resulted in the rejection of republicanism by an overwhelming majority of the Australian ~~people~~ ^{people.}

As an 15 year old Australian, I declare myself a ~~loy~~ forever loyal subject of Her Majesty Queen ~~Elizabeth~~ Elizabeth II, and that I will never support republicanism ever. I will never, so long as I live, betray the Australia of my Birth, under our Flag, for which the A.N.Z.A.C.S fought and died.

GOD SAVE THE QUEEN!!

Yours sincerely
