

The chairman,

The Senate Committee

INQUIRING INTO FREE TRADE

Parliament House Canberra

Dear Sir/Madam,

I DO NOT THINK AUSTRALIA SHOULD
ALLOW THE IMPORTATION OF FRESH FRUIT
& VEGETABLES INTO AUSTRALIA, OR
UNTREATED GRAIN. WE CANNOT AFFORD
TO TAKE ANY RISK AT ALL, OF DISEASE
COMING INTO OUR CLEAN COUNTRY.

UNFORTUNATELY, HOWEVER CAREFUL WE
MAY APPEAR TO BE, MISTAKES ARE MADE.
IT MUST BE REMEMBERED ALWAYS THAT
SHOULD WE BE BLOCKADED AT SOME
FUTURE TIME, WE ARE VERY ISOLATED.
OUR CLEAN GREEN REPUTATION MUST NOT
BE PUT IN JEOPARDY BY PERHAPS ONE
PERSON'S CARELESSNESS. *W. D. & M. K. Hamill*
